"To The Life-Giving Cycle of Water"

Prologue

Water comes from the sky

As rain or snow

And falls

To the earth.

There, by river and stream

It flows

To the sea.

As cloudy mist and haze

It rises

And returns

To the wandering clouds

Completing the life-giving cycle.

MRS SMITH—
I FEEL THAT WITHOUT YOUR CLASS, MY HIGH SCHOOL EDUCATION WOULD NOT HAVE BEEN COMPLETE. I THANK YOU FOR ALL THE CULTURAL THINGS IN LIFE YOU HAVE INTERESTED ME IN, AND I KNOW I WILL TRY ADVANCE MYSELF ALONG THOSE LINES. THANKS AGAIN FOR OPENING MY MIND TO THE MANY TREASURES IN LIFE.
YOUR BUDDY — DICK ROBINSON
P.S. DON'T CORRECT THIS FOR GRAMMAR

Dear Mrs. Smith,
I have really enjoyed this year in English though at the beginning I was a little apprehensive but this has proved to be the most interesting of years and your the nicest of Teachers
P.S. Please forgive the spelling.
Best Wishes
Carol Davis

Dear Mrs. Smith,

This really seems so funny to me to be signing an annual of a teacher. I'm quite at a loss of what to say. Believe me, you can't possibly realize I learned this past year. You just can't realize!! I have always been a good student but I sailed through without trying and still got "A"s — but this year — I not only had to work for my grade (which means I always an "A") but I actually learned something while trying. I truthfully hope that in the years to come that we may become close friends.

Sincerely
Susan Smith

P.S. our Geometry is beginning to ask questions about your kids name, too.

Canst not be defined,
Art relished while ever mysterious,
Not necessary to life,
But rather life itself,
Thou fillest us with a gratification
That exceeds the delight of the senses . . .

Dear Mrs. Smith,
Although I have never had you as a teacher, I am glad that I was able to meet you through the committees you are in charge of. I think that through your wonderful personality, I have learned that it is best to know teachers personally, than just as the teacher in room 310.

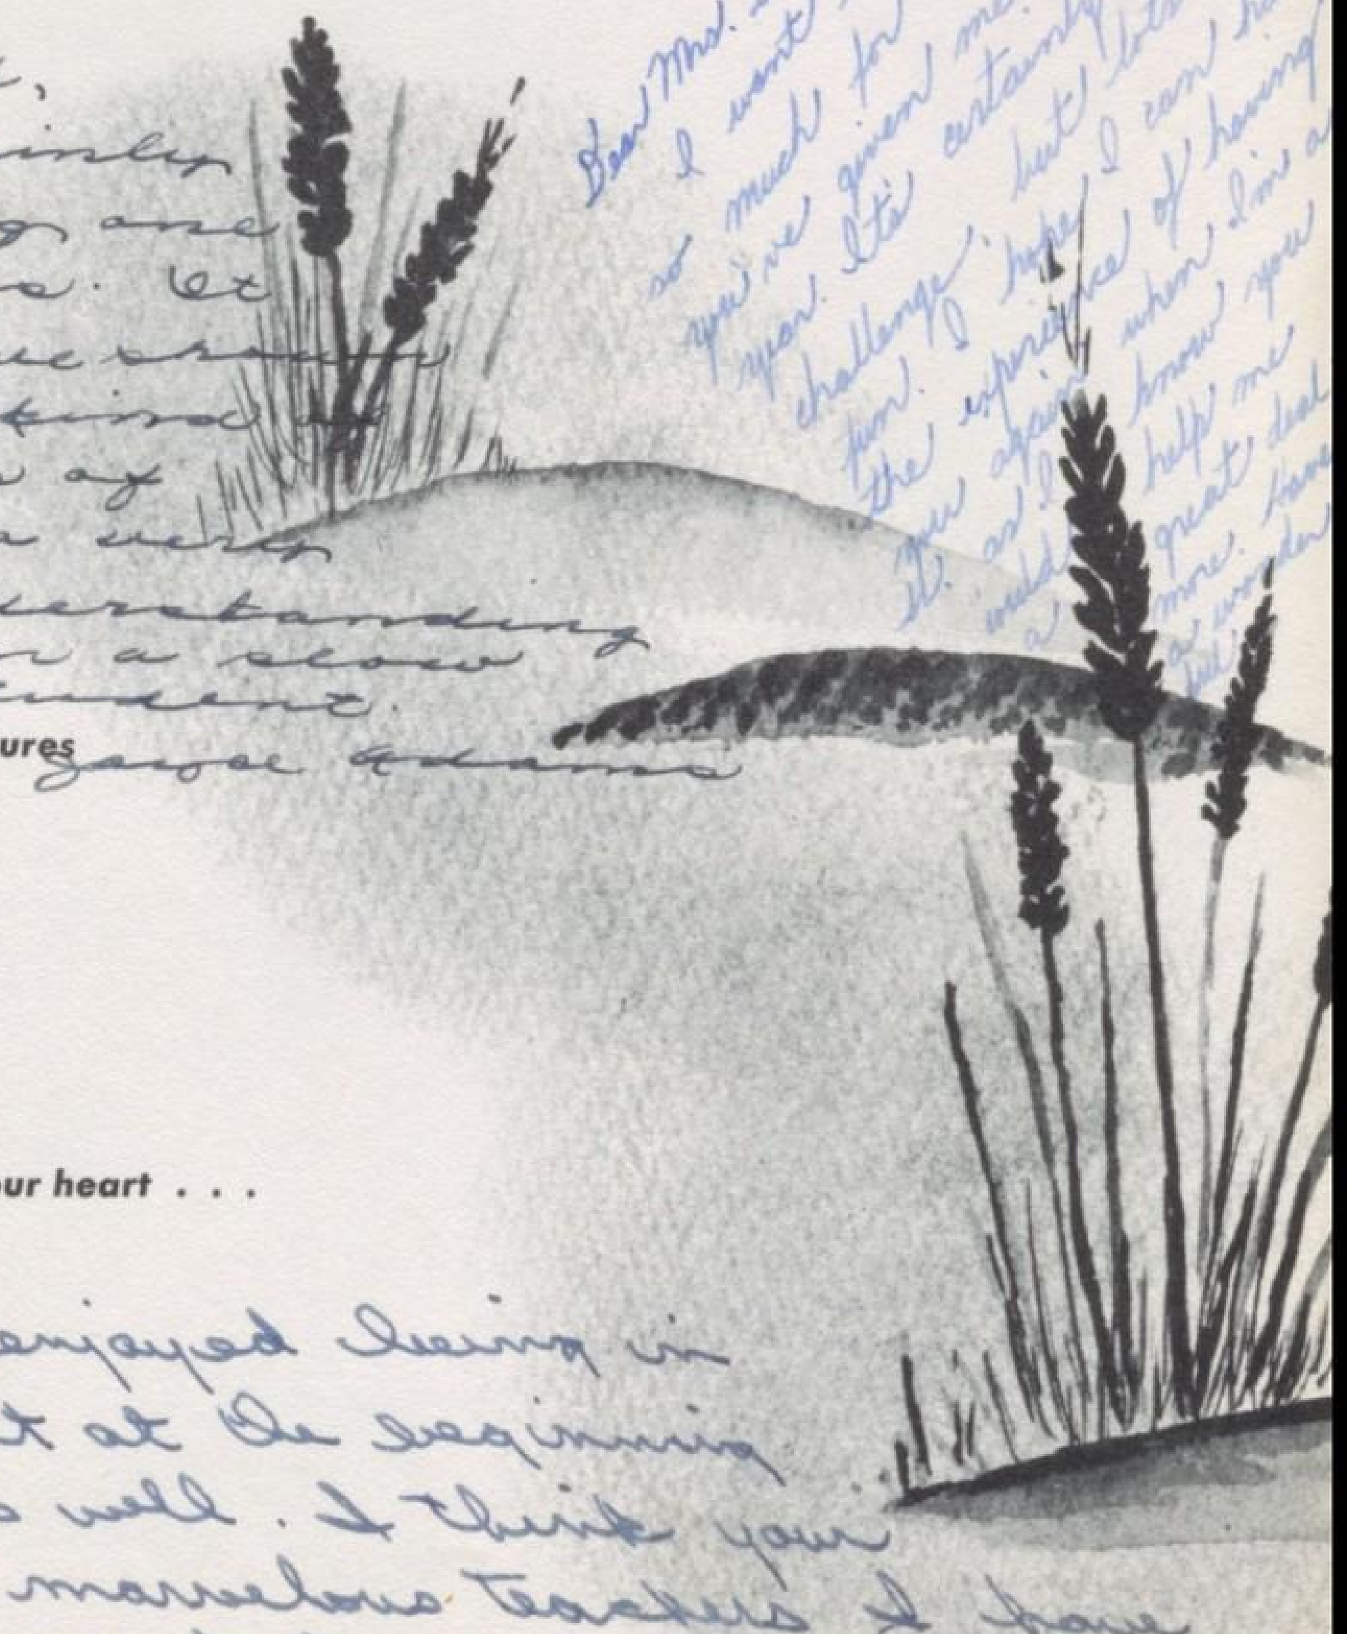
Dear Mrs. Smith,
I have certainly enjoyed being one of your pupils. It may not have shown but - well - I kind of learned. Lots of good luck to a very patient, understanding teacher from a slow reacting student.
Joyce Adams



Dear Mrs. Smith,
I want to thank you so much for all the help you've given me in G.A. this year. It's certainly been a challenge, but lots of fun. I hope I can have the experience of having you again when I'm a ... as I know you would help me a great deal more. Have a wonderful ...

Mrs. Smith,
I really have enjoyed being in this class. I admit at the beginning I didn't like it to well. I think your one of the most marvelous teachers I have ever had. I hope I have you when I am a senior.

Roosevelt's Teachers

When the first issue of "Strenuous Life" was published in 1923, the faculty section contained the photographs of forty-six teachers. Of those original forty-six, three still teach here: Mrs. Anne Moody, Mrs. Matilda Gilbreath, and Mr. Sheridan Berthiaume.

Two of Roosevelt's teachers hold doctor's degrees—Dr. Homer Knight and Dr. Edward Liston. Miss Aurora Kipperberg, who taught Physical Education here last year, is now in the Netherlands, as part of a program of exchange teachers. She has exchanged with Miss Hendricka Leeksma, who also teaches Physical Education. Mr. Jack Greaves, formerly in the Science department, is currently attending Yale University through a John Hay Fellowship. Mrs. Edith Norman, last year's head of the Foreign Language Department, is spending this year in Spanish-speaking countries, in preparation for the Spanish Language textbook she is writing.

Miss Helen Anderson is probably Roosevelt's most-traveled teacher. She has visited many countries in Africa, Asia, Europe and North and South America. Tied for the distinction of being born farthest from Roosevelt are Miss Leeksma, born in the Netherlands, and Mrs. Ann Grodal, born in Norway.

Roosevelt's teachers do more than share with their students the wealth of information which they themselves possess; they prepare their students with the knowledge, skills and crafts so important to a full adult life.

ASR Strives through Democracy

With the fall sign-ups came the year-long campaign to bring the ASR closer to the students. Hall of Fame, Publicity, and Friendship committees were newly formed and three division heads were added. Prestige and membership of clubs increased through a drive launched by the ASR officers. Roll rooms successfully executed such drives as: perfect attendance, white shirts, CARE packages, food for needy families, making individual yell-books, and obtaining a flag, which formerly flew over the National Capitol.

In autumn, the Teddies topped last year's pass sales, but still presented the Golden Axe and a talent assembly to victorious Lincoln. Color Week, climaxed by the Traditions Assembly, saw Teds wear green and gold, and decorate their rolls. Other projects included: Back-to-School Night for the parents, stressing the use of suggestion boxes, placing painted cans by the fountains for depositing gum; and a "Community Clean-up" effort which kept litter off neighbors' lawns.

Winter brought the Sportsmanship, Traffic-Safety, All-City, and State Leadership Conferences. The United Good Neighbors presented Roosevelt a plaque for having the largest school contribution. During Christmas time, Mr. Ivard Strauss and Mrs. John Rushing gave organ recitals, and the choir carolled in the halls. A "banana cart" for transporting invalids was given to the Orthopedic Hospital.

In spring came elections, campaign and inaugural assemblies and Campus Day with its cottons, baseball game, and talent assembly.

Throughout the year, student-produced assemblies dominated the scene. Some were musical like those presented by the Roosevelt Orchestra, Seattle Symphony and by the Senior choir at Thanksgiving; several were dramatic like the Christmas and orientation assemblies; others had guest speakers such as Messrs. Charles Stokes, George Muench, Ome Diaber and Bishop Ellis Gulin.

Fulfilling Mr. Reed Fulton's expressed hope, "Let's make a good school better," the student government took the helm by coordinating ASR activities and undertaking original projects. While Cabinet sponsored Traffic Week with one-way stairs and the "Walk While You Talk" campaign, the Student Council "got out the vote" and urged good sportsmanship. The Advisory Council was busy enforcing school rules and counselling offenders.

Above all, the ASR gave more students better opportunities of becoming active in ASR activities where they gained experiences invaluable throughout their lives.

OFFICERS—Peggy Kasper, corresponding secretary; Anne Cameron, treasurer; Miss Neffeler, adviser; Mary Fran Breshears, vice-president; Anne Christofferson, president; Pat Gallafent, recording secretary.

The "International Tea" featured French, American, Swedish, and Japanese food, and coffee.

At the Girls' Club Inaugural the new officers were installed.

Active Girls Lead

"Big Sisters," provided by the Girls' Club Friendship Committee, greeted the incoming sophomores and took them to "Alice in Wonderland," the big-little sister party. Then sign-ups set the year officially in motion. The Girls' Club, under the leadership of its officers and the guidance of Miss Isabelle Neffeler, the girls' adviser, included many activities in its program. Among them were: "Jack Frost," the Girls' Club party; "The Splendor of the Summits," the Girls' Club little conference; the Charm Club fashion show; the Christmas toy drive for underprivileged children, co-sponsored with the Boys' Club; the "International Mother-Daughter Tea," and the annual Father-Daughter and Mother-Daughter Banquets.

Also, by offering many committees, the Girls' Club extended an extra effort toward drawing every interested girl into its activities. During the year, these girls, while serving the school through committees, received valuable experience for their future roles in society.

OFFICERS—Mr. Berthiaume, adviser; Ralph Dines, president; Don Bender, treasurer; Larry Schneider, vice-president; Tom Jones, secretary.

Entertaining at the Father-Son Banquet were the Raw Kettles.

Painting toys for the Christmas toy drive were: Mr. Berthiaume, Champ Heilman, Al Mattivi, Carol Webert, Gordon Bristol, and Bob Lind.

They "Primed the Pump"

Laying a foundation for a spirit of friendliness, the Boys' Club inaugurated a "Big Brother" system and held an orientation assembly to encourage the incoming sophomores to become active members.

Led by its officers, the Boys' Club "primed the pump" through an anti-smoking and traffic campaign, an intramural program, and a very successful Christmas toy drive in conjunction with the Girls' Club where the goal of 5,000 toys was tripled. These toys were collected, painted, and repaired by the members of the Boys' Club. Other activities included the annual Father-Son Banquet where Tippy Dye spoke, the publication of the "Big Stick," vocational conferences, three Boys' and Girls' Club dances, and the performance of many other important, but not so glamorous tasks by the T. R.'s and the Boys' Club committees under the Cabinet members' leadership. Working with the boys was Mr. Sheridan Berthiaume, their adviser.

Mrs. Smith:

Thank-you - for being ① such a wonderful Comp. II teacher, ② so understanding ③ such a challenge, and ④ so much fun! I've enjoyed this class more than any before. I only wish every Senior could have the experience and good times gained in this class! Thanks, also, for giving us a much more stable feeling in choosing colleges and vocations. I really feel like I'm ready to take it in my stride now!

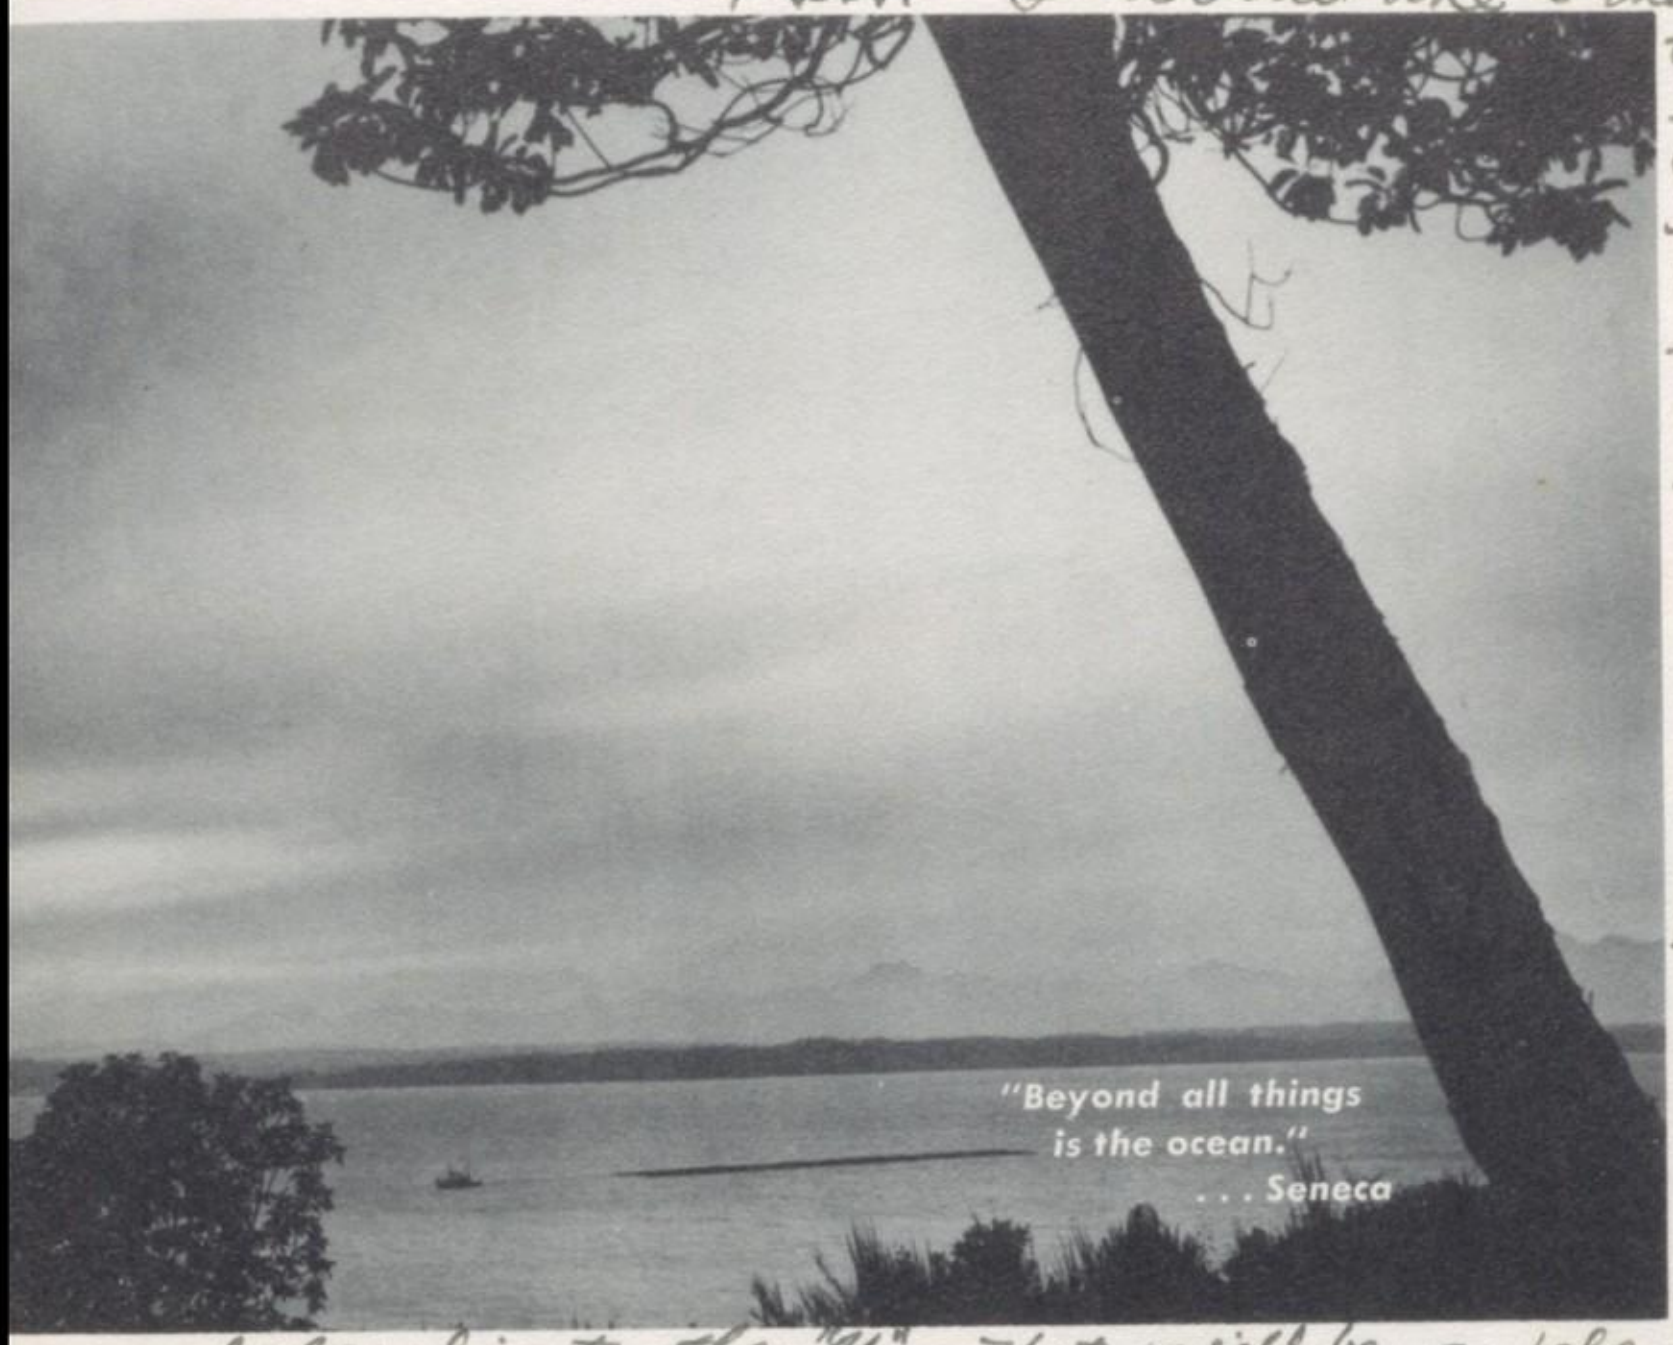
My dear E. M. Smith,

Now that you have suffered through a long year with me & the other officers I would like to say that you weathered it all very well. You are really a great personality. I hope you don't miss us to much, I'm sure you won't. Have a great summa & best of luck in future years.

Love Harvey Oster

Senior Class Advisers: Mrs. Ellen Smith and Mrs. Alice Miller.



Puget Sound from Magnolia Bluff

Class of 1955

It was "their year"; a cycle set a-whirl by the busy routine of a day's school work, and the fun and excitement of senior activities coming, one after another.

Four new officers and the senior class representative set into motion the year of 1954-55 by adding a new scholarship committee to the traditional seven so that it was possible for all 177 who signed up to participate actively in their last year of high school.

Activities began with "Little Brown Jug," the Fall Party, featuring entertainment from other schools. Following was the Senior Play, "I Remember Mama," presented by the upper classmen and starring Judy Moran, Bess Hoague and Burke Rhind in the leading roles.

Warm weather brought with it the Spring Party and a picnic complete with swimming and boating. A memorable Senior Prom was held for a second year at the University of Washington HUB. Its arrival brought a class of 730 students within a week of a greatly anticipated graduation night.

Though another senior year ends, the same experiences will be relived again and again by future graduating classes as the cycle continues to begin each new year.

To the nicest English teacher I know,

It sure has been an interesting year. I had a great time in your class doing all those subjective and objective papers, term papers, commentators, the magazines and those monstrous notebooks. It may have been a lot of work, but with your advice and friendly smile I found the task much easier. Next year, Beware of Jorgen first period and buy a Pass. I would like to thank you for the opportunity you gave me to serve the Senior Class. It was a great deal of fun and you and Mrs. Miller were most wonderful advisers. Also, I want to thank you for those numerous recommendations you wrote for me. They got me the Alcoa Foundation scholarship to the U. of W. That will be a help in financing my education. Next year I hope you again are a class adviser along with Mrs. Miller. The class this year has really appreciated it. Now, I would like to wish you the best of luck and students in the future.

Cheerio,
Mary Bader

P.S. You are the only L. A. teacher who has ever made me take a real interest in the course. I'll come back and see you sometime next year.

President: Bill Winter

Vice-President:
Tony Ward-Smith

Treasurer: Mitzi Hagist

Secretary: Jeani Forstrom

Dear Mrs. Smith,

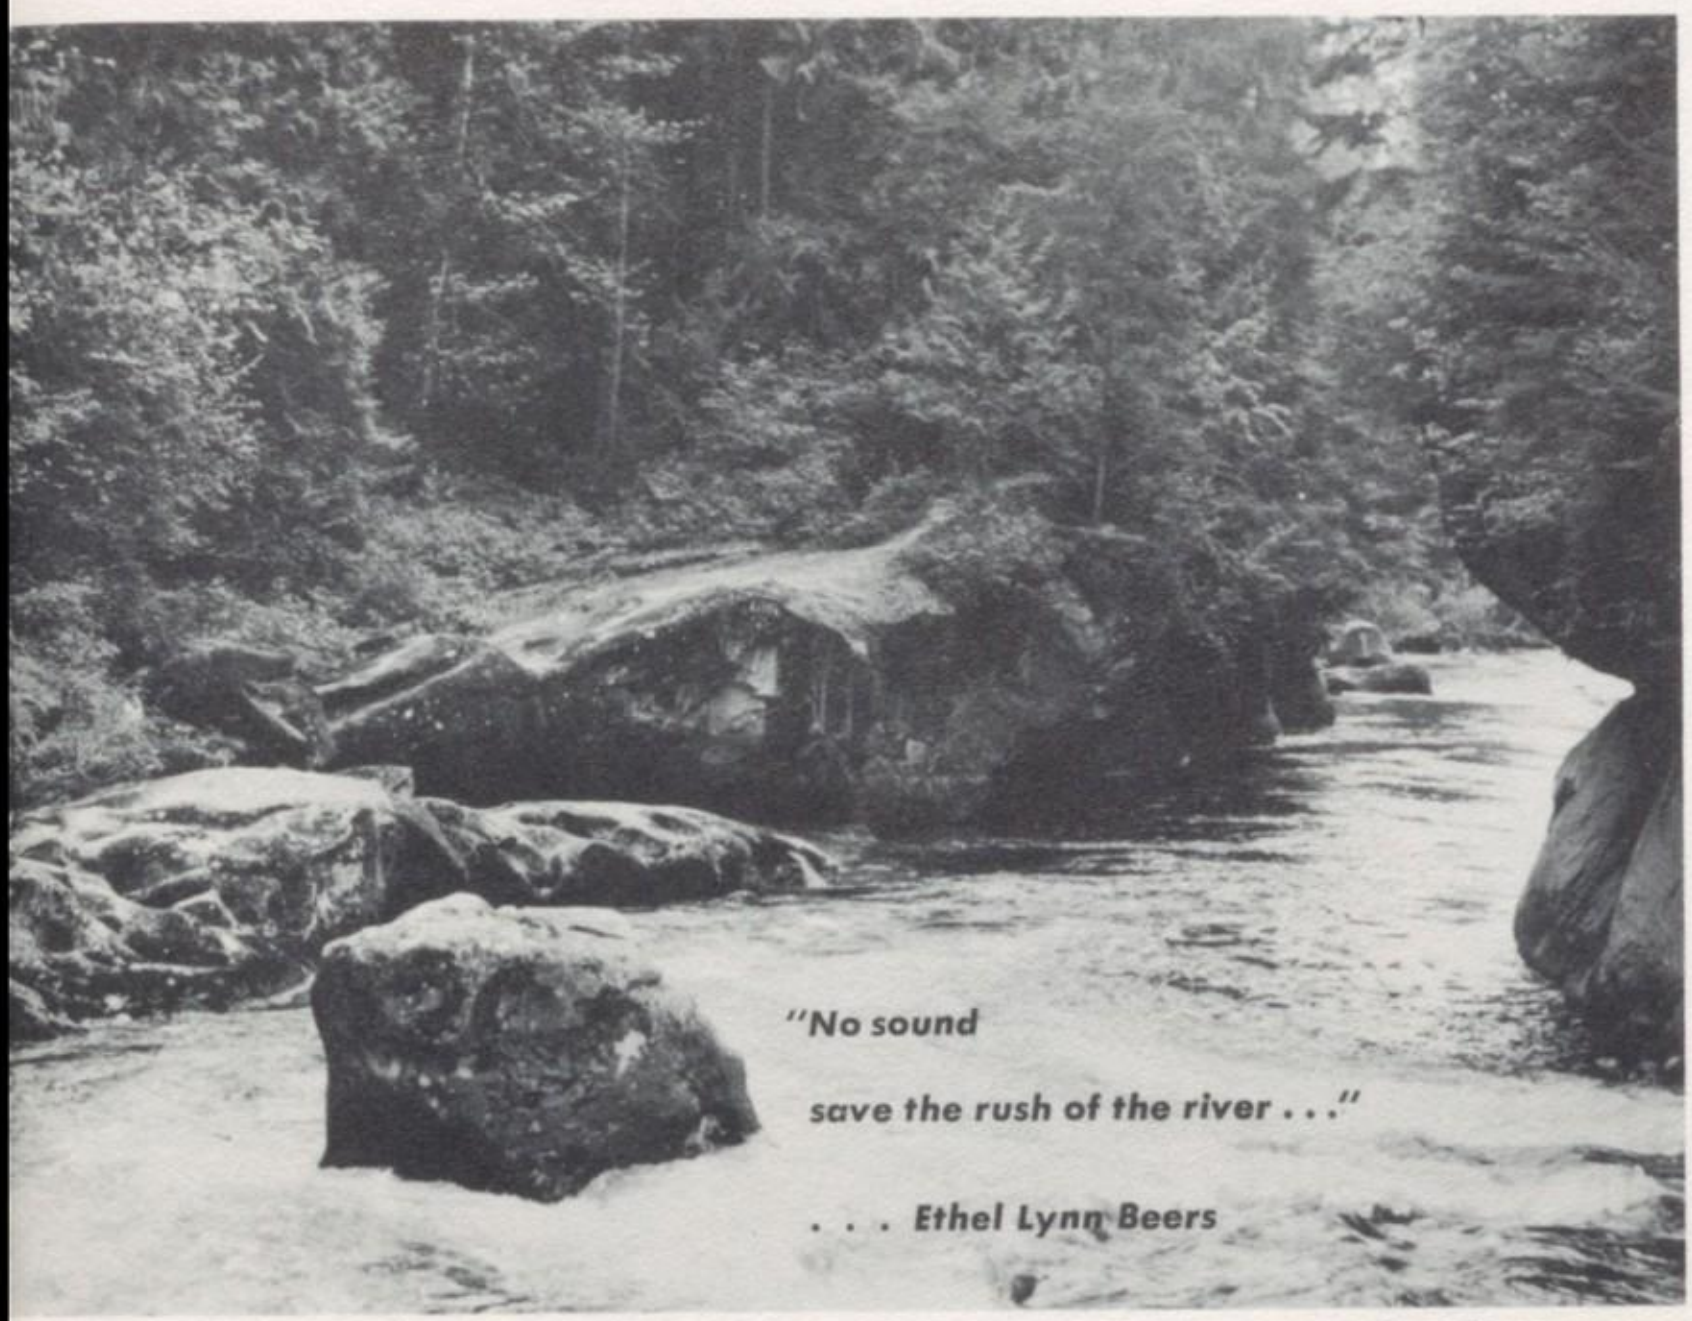
This is the wrong class but it's the only blank spot in the book.

I have really enjoyed being president in your L.A. class. It has given me a big boost in poise and maturity. I really appreciate the privilege of being in your class. I hope I am again when I am a senior.

Love,
Sally Scott

Junior Class Advisers: Miss Alma Hawkins and Miss Florence Russell.

JUNIORS



Green River Gorge

Class of 1956

As the year ends, juniors examine closely the stepping stones which helped them reach this point in the rushing river.

Even though the stones were close together, the class of '56 might have lost its balance without assistance from its advisers, Miss Florence Russell and Miss Alma Hawkins.

Thirty-seven juniors ran in the elections; Bill Winter was elected president, with Tony Ward-Smith, Jeani Forstrom, and Mitzi Hagist supporting officers. Adele Elmstrom was junior representative to ASR cabinet; four juniors held Boys' and Girls' Club offices.

Torch, the Honor Society claimed 136 juniors. Elaine Day represented the class as Torch vice-president.

Some juniors displayed talents in school productions, while others belonged to band, orchestra, and choirs.

"Junior Jam Session," held Nevember 23, had a rhythm and blues theme with Rae Baker and Brian Jensen, co-chairmen. Juniors present totaled 450.

Among other activities, juniors won the pass contest between classes.

Having crossed the stepping stones of this past year, juniors look back at exciting experiences.

Dear Mrs. Smith -
Thank you - for opening my eyes and ears - to the realization that there are more important things in the world than those material and materialistic; thank you for an acquaintance with those whose aims are less worldly and more intellectual.
Thank you - for having the genuine interest which leads up your wonderful understanding of people - young people.
Very sincerely,
Ed Fisher

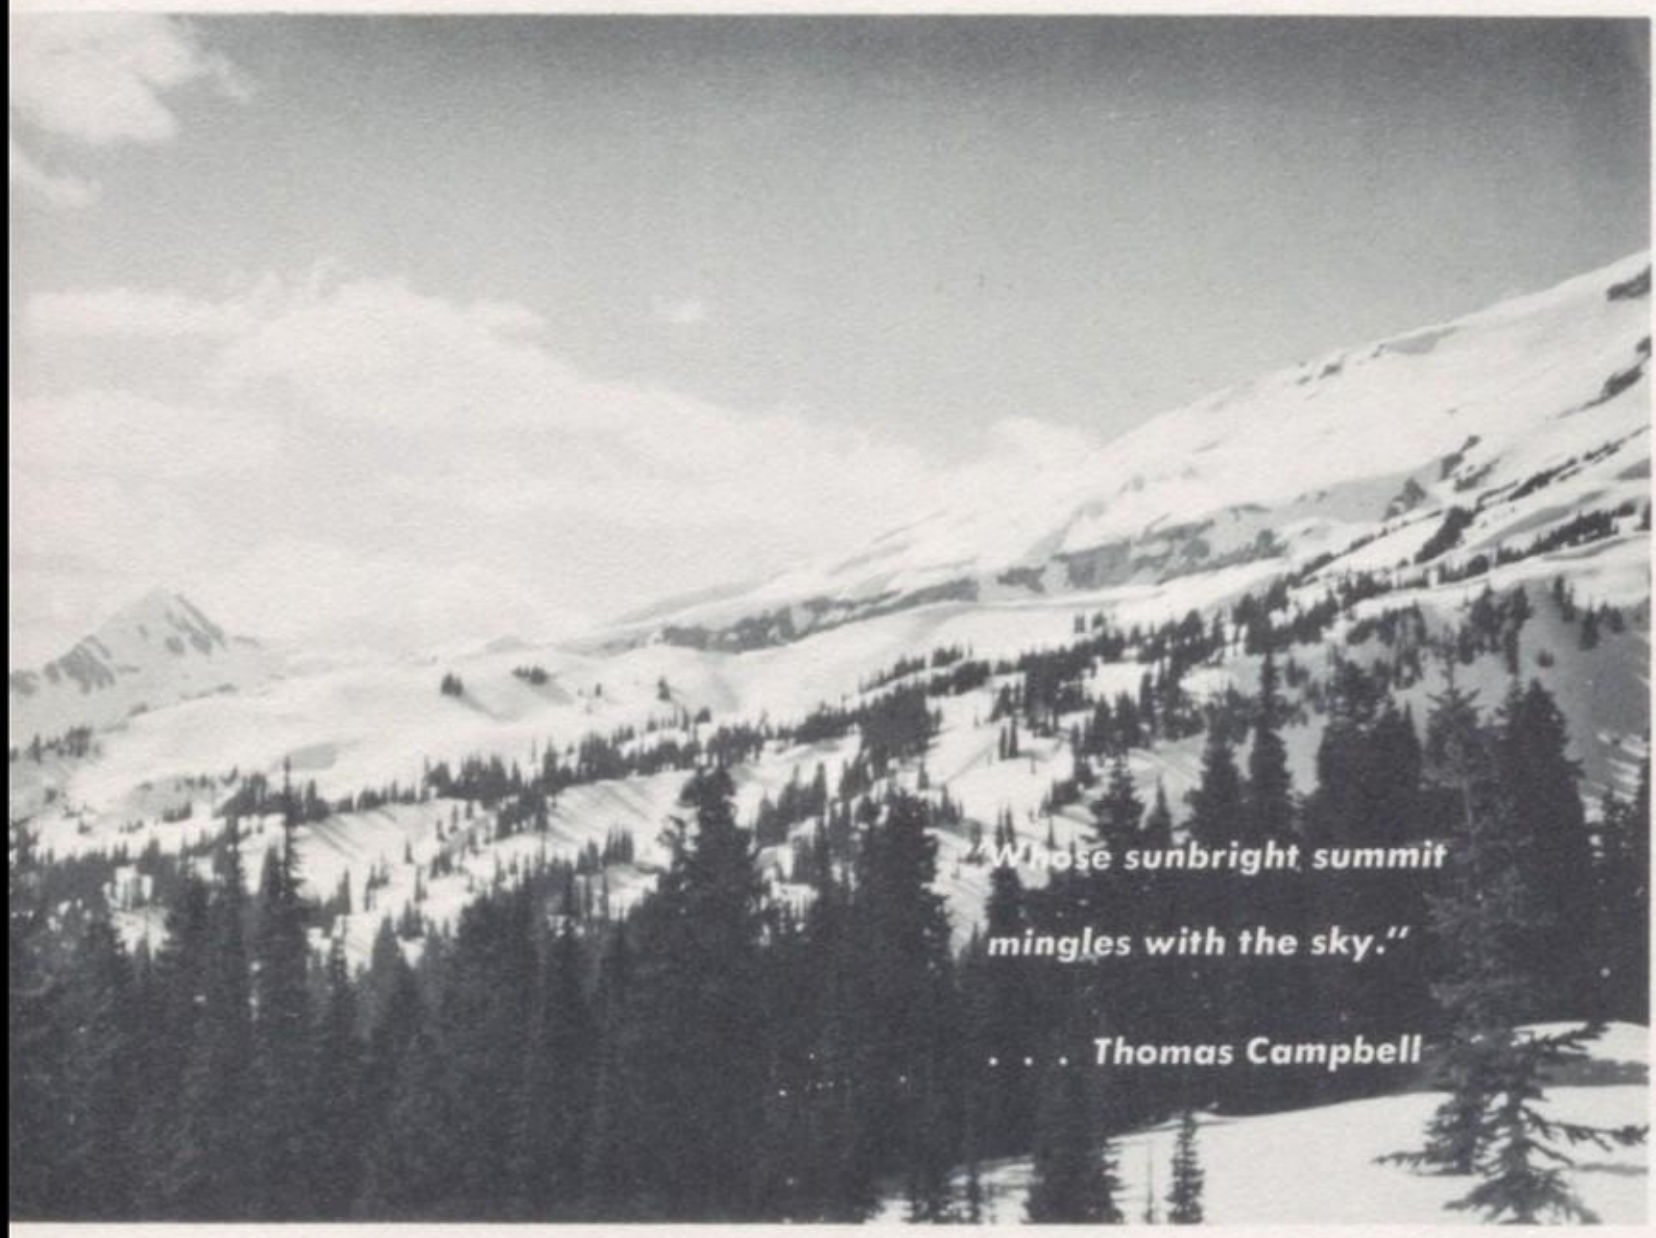
Sophomore Class Advisers: Mrs. Ann Grodal and Miss Martha Young.

Dear Mrs. Smith,
although there's been times when I've been very disgusted with L.A. I can say I've really enjoyed being in your class. I hope to have you again for a teacher in the future.

Sandra Stumpf



Class of 1957

New pep, participation, and production came to Roosevelt with the class of '57. Though the sophomores came from various schools, they soon began working together for common goals.

The officers, Vicki MacDonald, president; Judy Vedder, vice-president; Cathy Cornell, secretary; and Mary McCumber, treasurer, were elected at the beginning of the year. The sophomore class contributed a great deal to school government, productions, and activities under the leadership of their officers and with the guidance of the class advisers, Miss Martha Young and Mrs. Ann Grodal.

The class of '57 showed its high scholastic ability in Torch membership numbering 184. Janice Vander Hoek served as secretary-treasurer of that organization. Clark Sillman was the sophomore representative to the ASR Cabinet.

Many sophomores were active in the Boys' Club, Girls' Club, and ASR committees. The Revue, Penthouse Plays, sports events, and music organizations occupied much of the time and talents of other sophomores.

The familiar saying, "In like a lion; out like a lamb," was the theme for the class party, "Sophomore Spring." Sandy McCarty and Gary Young were co-chairmen of the party, with eight sub-chairmen helping.

Dear Mrs. Smith,
When I'm asked who I have for language arts I say Mrs. E. Smith -- to show for that teacher is to know that she's so many things well as I have in Ellen Smith.
you have given you and it forever,
Sincerely,
Anna Bennett

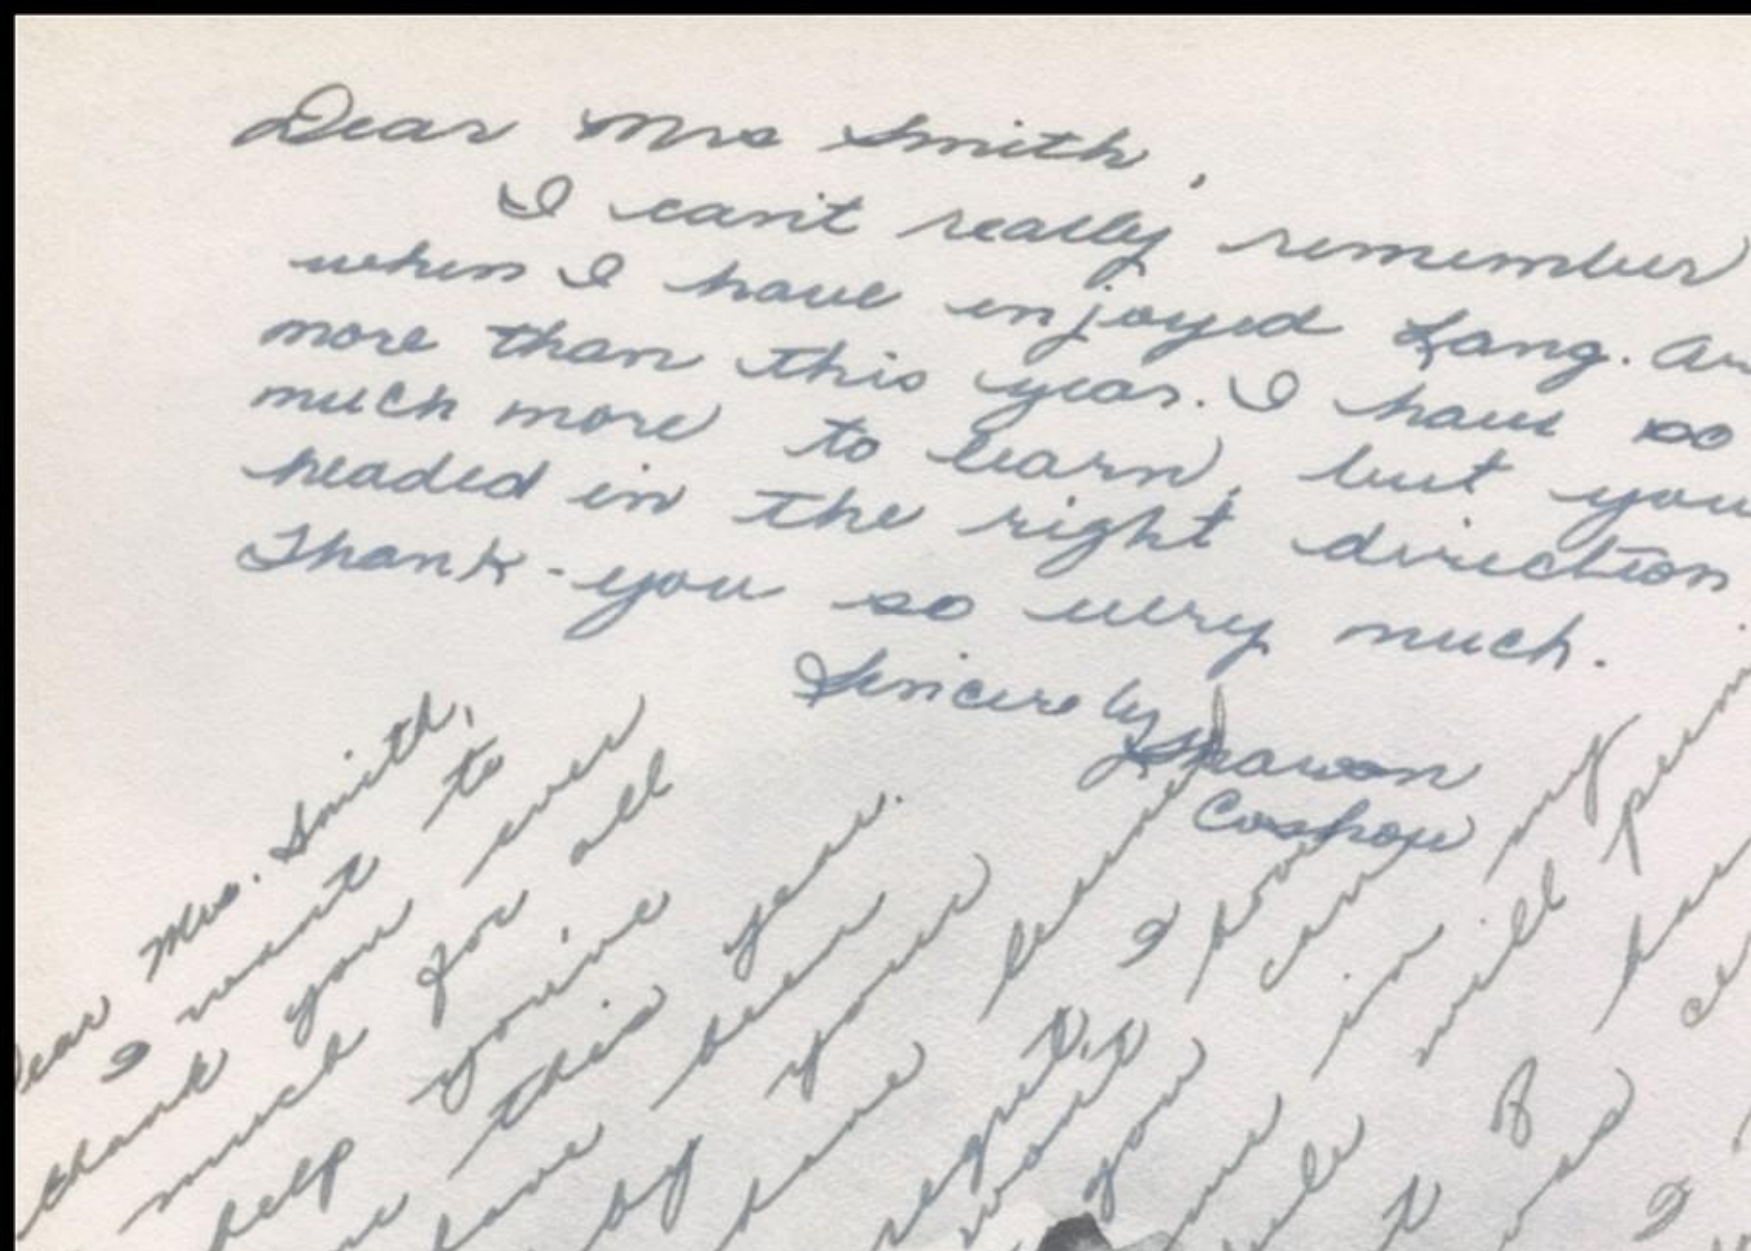
Thank you for all I've learned (including myself) as language arts from me, I'll remember

"Sophomore Spring," the class party given on March 24, was planned by: Henry Houghton, Danny Goff, Bob Armstrong, Susan Westlund, Lynn Schneiderman, Barbara Gustin, Deanna Countner, Anna Bennett, and co-chairmen Gary Young and Sandy McCarty.

Dear Mrs Smith,

I can't really remember when I have enjoyed Lang. Art so much more than this year. I have so much more to learn, but you headed in the right direction. Thank-you so very much.

Sincerely,
Shawn Cowboy



MARILYN LIDEN

"The world turns softly,
Not to spill its lakes and rivers,
The water is held in its arms
And the sky is held in the water.
What is water,
That pours silver,
And can hold the sky?"

FINALE (Bottom picture).

"Where In The World"

Fashioned after an Aladdin's Lamp theme, the 1954 Revue, "Where In the World," presented on October 29-30, was the result of strenuous preparation by the Revue Committee, its chairman, June Huckle, and the adviser, Mr. Strauss. The production began when Judy Moran, Jane Wyman, Brian Jensen, Pat Yeager, and Elaine Day wrote its seven scenes. It expanded with Revue tryouts, casting and directing, costuming and set construction, and a dress rehearsal involving over 200 people. The Revue reached a climax when Mr. Strauss, featured as a comic maestro, accidentally rode up on the curtain.

The show, sparkling with variety, included the "Caramel" death scene with corpses scattered everywhere; bagpipers from Scotland Yard; Ann Klinefelter, a crazy cockney maid in a "Haunted House," mimicking "I'm Going Away With a Man in a Little White Coat"; Cheryl Stern, a little girl in the "Library," singing "A Thousand Ways to Lose a Man"; and Sheik Trevor-el-Harris whose palace contained an enticing harem in an elaborate "Persian" scene.

Throughout these and many other acts, Jeff, the hero, and Pajah, a genie, sought Jeff's "dream girl," Kathy, who had conspired with "Genie" to produce a colorful finale.

"I Remember Mama"

John Van Druten's play, "I Remember Mama," stars Katrin Hanson who, while leading a double life as narrator and character, realizes how her family has supplied the inspiration she needed to write her first story. Miss Aristelle Macdonald was adviser and Mary Devine student director of the cast:

Penthouse Players Take a Bow

No curtain going up, no make-up, no costumes, but plenty of theater excitement prevailed in room 104 at the presentation of penthouse plays. Four classroom experimental programs were performed with make-shift props in arena styles.

The project, the brainchild of Mr. Ivard Strauss, had its inception a year ago. This year the first program consisted of two cuttings from "The Crucible," a drama by Arthur Miller, and Mary Chase's comedy, "Harvey." Then ensued the remaining series collectively called a "Shaw Festival." The trio of play cuttings were from "Candida," "Pygmalion" and "The Devil's Disciple."

"CRUCIBLE" SCENES. "JUDGES." Pete Solomon, Ron Capel, Jack Kearns, Eddie King. **"PRESSURE."** Jane Hayden, Pete Solomon, Jack Kearns. **"GIRLS PRETEND."** Bess Hoague, Carol Furnier, Jerri Cressy, Jerrie Jaffe.

OPERETTA OPERETTA OPERETTA

"Kiss Me Kate"

"Kiss Me Kate," presenting a modern theme and theatrical setting, offered a challenge to both student and faculty. It also marked the first time that the operetta has ever had a faculty choreographer, Miss Jean Musser.

Fred Graham, who produces "The Taming of the Shrew," also produces trouble. The leading lady, Lilli Vanessi, is his ex-spouse who is not too unlike the shrew she portrays, while Bill Calhoun, an actor, loses at gambling and signs Fred's name to an I.O.U. which two gangsters try to collect.

Fred and Lilli reunite to the tune of "So in Love" and "Wunderbar." Lois, Bill's girl, reprimands him with "Why Can't You Behave" and "Always True to You in My Fashion," while the gangsters reconcile with the Bard in "Brush Up Your Shakespeare," and the show inevitably ends with a kiss from Kate. The cast included:

Lilli Vanessi (Katherine)..... Donna Fennell, Carol Jo Nelson
Fred Graham (Petruchio)..... Burke Rhind
Lois Lane (Bianca)..... Eloise Swarthout, Donna Matthews
Paul..... Ed Baxter
First Gangster..... George Cook
Bill Calhoun (Lucentio)..... Everett Bauer
Second Gangster..... Larry Hall
Harrison Howell..... Brian Thompson
Harry Trevor (Baptista)..... Jim Lowry
Ralph (Stage Manager)..... Al Pierce
Fifi..... Sharon Michaelson, Marilyn Peery
Cab Driver..... Trevor Harris
Gremio..... Doug Whitaker
Hortensio..... Les Eldridge
Seamstress..... Carole Benson, Orzetta Carroll

Torch honor society works to encourage and award the high attainment by students in matters of scholarship, leadership, service, and character-development. To gain high scholastic honors, each student must think clearly and logically so that he may climb to the top in all phases of life as well as in the classroom and in activities.

Torch pins are given to all students who meet the requirements of the society. Seniors who have earned 112 points are awarded permanent Torch pins.

The three officers and thirteen committee chairmen under the able direction of Miss Anna Steendahl attained success in all projects that were undertaken.

Hi!
I want to thank you so very much for everything this past year. It's rather hard to express exactly what I mean, but I know I am better prepared to enter college this fall as a result of this class. Yes - we've complained about the work but in the long-run it was worth it. Best of luck.

Extra! Extra! Extra! Extra!

The day after Monday means news day to all Roosevelt students. To the "News" staff and the editors, it means the blooming-on-paper of a week's idea-pounding, beat-covering efforts. To Mr. William Hall, adviser, it means his pride-in-print; while to the faculty it is an outlet of student thinking. For the Ad staff it represents a loss or gain in selling space. The eight Ad managers hope it is a gain.

"A Strenuous Life is a Good One"

Secrecy of the theme and of the Hideout are time-honored traditions with the Annual Staff. This year, lithography and twenty-four more pages have been added to the book. This is the first change in size since 1923. Two other innovations for the staff history are a turtle mascot, Sir Deadline, and a "Strenuous Life" Shingle for 213's door.

Loyalty, co-operation, and scholarship are qualities required for staff membership. Sportsmanship was included on the list when Sir Deadline lost a race to the "News" Staff turtle, Willie, and the Annual Staff had a "News" Shingle made as a prize.

Every member of staff lives in mortal dread of the demerit chart where his errors count against him. He also keenly anticipates Campus Day when the first "Strenuous Life" copy is presented to the principal in the assembly, and later in the day when more than two thousand copies are distributed to the student body.

Dear Mrs. Smith,

It has really been wonderful being in your class this semester. I think for the first time I've really worked and enjoyed it.

Thank you for the help with my spelling and I hope it will help me.

Good Luck

Mrs Smith: I am a little/bit feared to write in your class for fear that I will make a mistake.

I would like to thank you for all of your wonderful help. I learned a great deal while I was in your class and I truly appreciate your help, now lets hope that I can retain it.

I feel like this paper as it is bounced and thrown about on its way to the ocean, but like the sea of life, mine lets hope when I get there I will not sink.

Thanks Again
Best Wishes & Luck Forever,
Love, Maryanne

Dear Mrs. Smith,

I was sorry when I discovered that you don't teach Lang. Arts II a & b but I'll be sure to see you in my Senior year.

Until then, keep on teaching your wonderful L.A. classes. I have fun,
(I presume teachers do have fun)
and good luck with whatever.
You'll do. One of your devoted pupils,

Dear Mrs. Smith,

I want to thank you very much for everything you've done for me, and that really is a lot. I think I have learned more in your class than I thought possible, and not all grammar. All through life I've had the habits you've planted in me, but with your help I've broken or am breaking most of the bad ones. At first I was rebellious of your expecting so much from me, but I know it was for my own good.

You have developed some talents in me which I wasn't too sure of, in my creative writings and so forth.

I'll always remember you as the youngest teacher which most wrinkles and all of them from smiling. I know I won't forget you and all you've done for me.

Thanks ever so much.

Sincerely
Jo Anne Horner

Sports

SPORTS SPORTS SPORTS SPORTS SPORTS SPORTS

The Jamboree initiated the sports season with an upset. The East spilled the West to the tune of 14 to 13. In victories the football season was not successful, but in spirit Roosevelt could not be topped by any other school.

After football came basketball and skiing. The Teds placed fourth in the final standings of the City League. The basketball second team placed second and the third team placed first in their respective leagues.

The ski team was led by Captain Doug Nicholson in a very successful season. Seventeen-year-old Ragnar Ulland, junior student, recently placed on the 1956 Olympic Ski Team in jumping, becoming the youngest skier to ever place on the team.

The track team looks forward to a good year with several lettermen back from last year's second-place finishers in the All-City Meet.

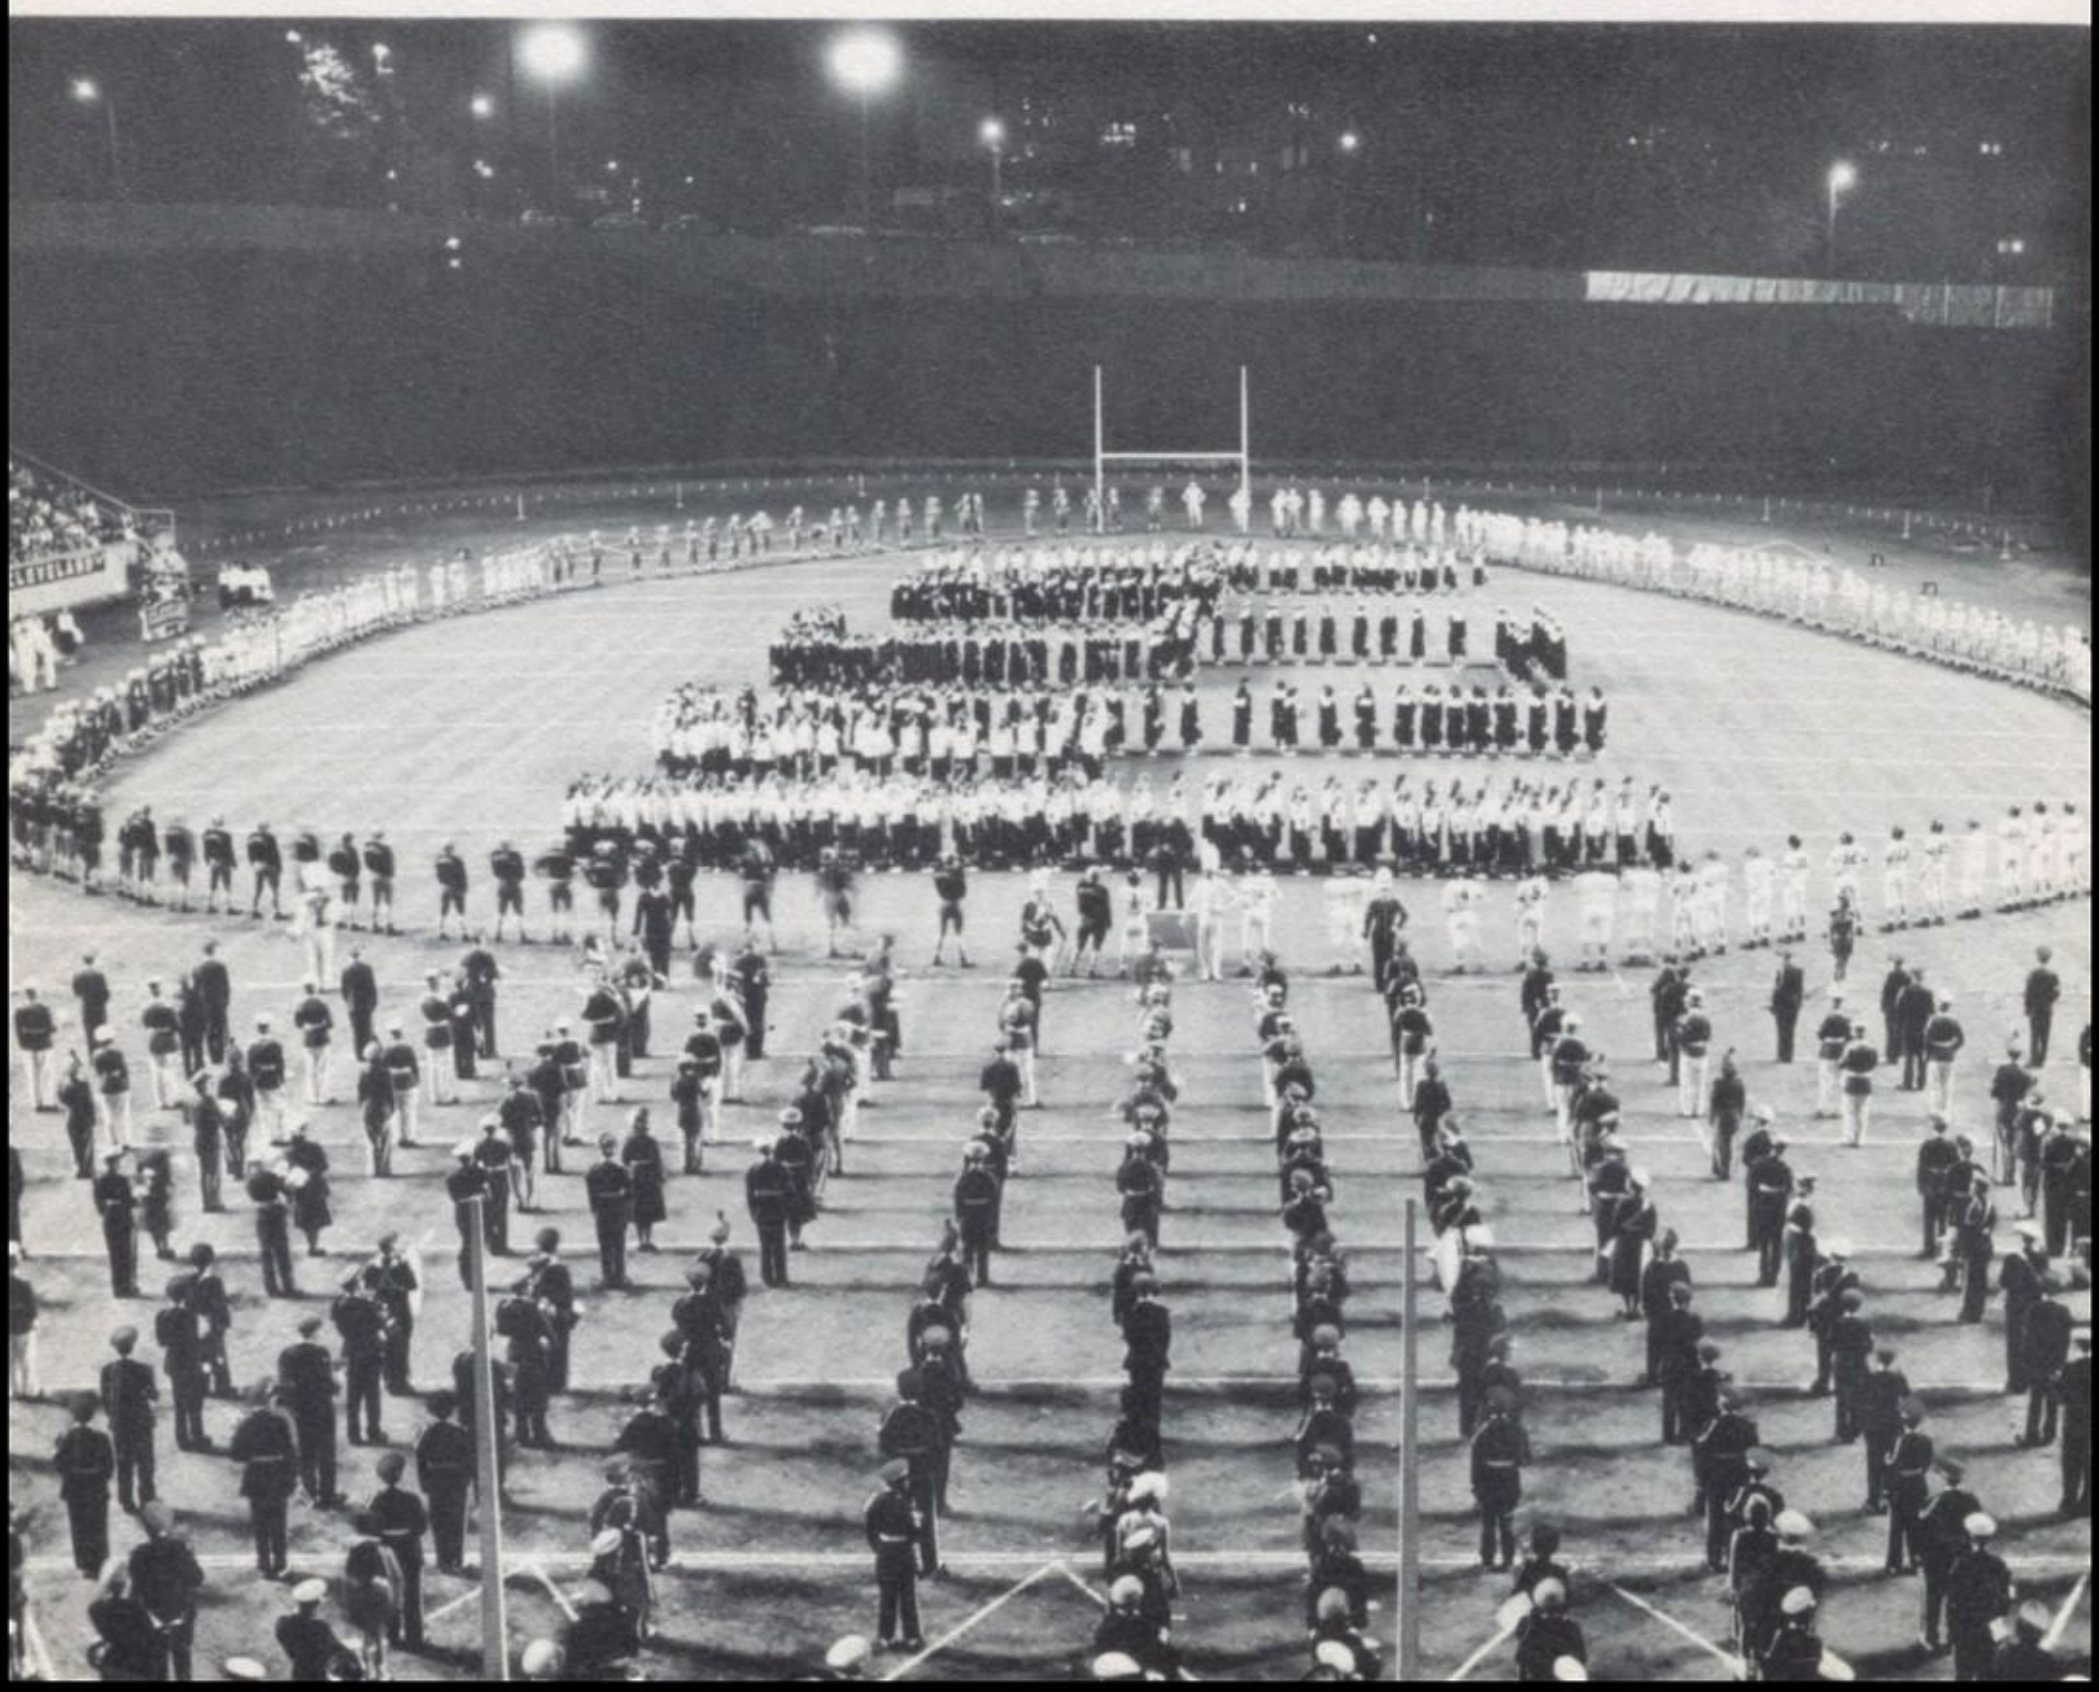
Teddy linksmen, coached by John Rushing, is strengthened by veterans Jack Bernard and Jim Howard.

Teddy netsmen, coached by Mel Dranga and supported by Bob Corning, Kim Proctor, and Rocky Bauer, look strong.

Since practically the whole squad is returning, the baseball team looks as though it has a good chance to finish in the top division this year. Campaigners are Don Carlson, Dave Boyd, Doug and Don Kier, and Bill Johnson.

In the intramural field, Mr. Robert Bell organized sports appealing to many students. In addition to football and basketball, there was intramural competition in track, bowling, volleyball, and other less publicized sports.

During summer vacation the Roosevelt swimmers, under the leadership of Mr. Tom Evans, won the Annual Swim Meet held for Seattle Schools at the West Green Lake Beach.



Challenging the current saying around school, "No score in '54," Coach Lou Hull replied at the Letterman's Assembly, "We'll skin 'em alive in '55." The coach's words symbolized the outstanding school spirit.

Jamboree night saw Roosevelt put on a display of power in scoring against West Seattle. Roosevelt's score helped to pace the East to an upset win over the West, 14 to 13.

Despite their good showing in the Jamboree, the Teds had a poor season. From the first, after absorbing a 33 to 0 defeat from the Lincoln Lynx, the Teds fought to put Roosevelt on the scoreboard. Despite being one of the leaders in yardage gained, the Roughriders could not quite get the ball across the last white stripe. Being plagued by injuries didn't help the situation. The following players were hurt and couldn't play the remaining games of the season: Griff Hopkins, LeRoy Stenmoe, Bill Winter and Tom Orrell.

Dear Mrs. Smith: I do hope you won't vanish from my little life completely. I'd like to know Ellen McComb Smith - housewife and mother as well as teacher. I'll try and see you and tell you all about college life 1956. I think my liking high school and getting some sort of value from it is due a great deal to you also many of my attitudes and ideals. Isn't it strange I feel so young? - so much more to grow.

Your friend, Donna Darnell

Don Harney
Second Team Coach

Second Team Football

Despite their failure to win a game, the second team players managed to score a few hard-won points in six ball games played on local playfields.

This team consists of potential first team players who are unable to play in the weekly varsity games.

Under Don Harney's coaching the junior players gain experience and, although the games are not well attended, they are important to the school.

The record for the second team stands at no wins and six losses. These players, like the varsity, say, "Wait till next year!"

Third Team Football

Tying for the city championship with Franklin, and defeating the Ballard team for the first time in many years were two of the achievements made by the third team. Under the coaching of Bob Lindh this year's third team record shows four wins, one loss, and one tie.

Coach Lindh produced a team that had size and the desire to win.

A fine crop of future varsity players was turned out. From the third team will come several of next year's squad.

Third team should begin to feel the Little League teams rather soon in one way or another.

Roosevelt Skiers Excel

Skiing, one of the most popular winter sports, is enjoyed by numerous Roosevelt students. Individually as well as in team competition, many Ted skiers brought honor to their school.

Ragnar Ulland, a junior at Roosevelt, won national acclaim along with a spot on the U.S. Olympic ski jumping team. The youngest person ever chosen, he will compete in 1956 at Cortina, Italy.

Roosevelt's girls' team won first place, and the boys' third at the All-city High School Ski Tournament. At a five-day meet at Rossland, Canada, the girls, led by Lorraine Hitt, placed second. Doug Nicholson won the boys' slalom there and also at the All-city meet.

Teds Triumph at Jamboree

At the Basketball Jamboree December 17, Roosevelt's Varsity Basketball Team displayed its desire to win. The second annual event, held in Hec Edmundson Pavilion on the U. of W. campus, was attended by a large group of spirited Teds who cheered their team to victory.

In the pre-game drawing, Roosevelt, representing the East, was pitted against West Seattle. Playing in college length quarters, the combined forces of the East defeated the West by a score of 84 to 69. Roosevelt's scoring in the third quarter placed the East ahead, where it remained for the balance of the contest.

Teds Place Fourth

Following the slogan, "Skin 'em alive in '55," the Varsity Basketball Team started its season this year. Spirit was high although the first part of the season was discouraging. After losing to Garfield and Lincoln the Teds bounced back to a five game winning streak. Roosevelt was then tied with Franklin for third place. They remained in this position until their final game with Queen Anne which brought them defeat. In the final standings the Varsity was fourth, with eight wins and six losses. Lincoln and Garfield were tied for first place.

Lettermen returning from last year were Emery, Weymouth, and Orrell. They joined seniors Farrell, Lundin, Wren, and Sells. Juniors Pennell, Church, and Wolthausen completed the squad.

In the race for the All-City Basketball Team, "The Seattle Times" named Emery to the first string. Honorable mentions went to Weymouth, Farrell, and Pennell. Also among the top fifty players of the city were Orrell and Wolthausen.

Second String Wins Second Place

Playing in the Second Team City League, Roosevelt's Second team was victorious in many games. Surpassed only by Lincoln's Second team, the Roughriders captured second place in the final standings.

Coached jointly by the Varsity coach, John Fuller, and Bob Lindh, the Third team coach, the Second team won ten of its fourteen games. The contests were held after school in the high school gymnasiums on Monday and Thursday afternoons. The home games as well as those played at other schools, found many loyal Teds in attendance.

In addition to playing in their own league, the team aided the Varsity squad in its games. Most of the members of the team will be in line for the Varsity squad next year.

Third Team Victorious

In the competition among the schools of the Third Team City League, Roosevelt fared very well. Playing on a schedule similar to the Second team's, the Third team finished in first place by winning eleven of its fourteen games.

Some of the members of the team played in Varsity games this season, and many of them will be bidding for Varsity positions next year. The job of coaching the Third team is handled by Bob Lindh.

Tracksters Perform Well

Due to the early deadline, the record of the Track Teams at Roosevelt wasn't known. However, it is sure that they gave their best to uphold the Teds' fine record.

There was a large turnout for all events this spring. Many lettermen who performed well last year added strength to the 1955 team.

John Fuller, basketball coach and math teacher, did an expert job of coaching the varsity track men.

Dear Mrs. Smith,

This class will always be a fond memory in my heart. I've had lots of fun here along with the "piles" of work I accomplished. I did really enjoy working in here.

Lots of Luck

Golfers Uphold Record

Although few of the statistics about this year's Golf Team were known since "Strenuous Life" went to press in April, it was plain to see the team would be hard to defeat. Always finishing in the first division and in 1954 winning the city championship, Roosevelt's golfers were sure to place high in this year's standings.

Eight lettermen returning from last year form the nucleus of the team which was completed by the addition of seven other men. The lettermen were Jim Shapiro, Dick Smelser, Jack Bernard, Jim Howard, Kurt Moss, Hugh Cook, Don Jacobson, and Chuck Coyne.

Members of the 1954 team receiving honors were Hugh Cook, Don Jacobson, and Chuck Coyne. Cook won the Ernest Worth inspirational trophy and Jacobson received the Loh Medal, an All-city trophy. Jacobson placed seventh and Coyne fifteenth in All-city competition.

Tennis Team Fares Well

Tennis is one sport in which Roosevelt has always excelled. Teddy tennis players have finished first, second, or third every year for the last sixteen years and 1955 should prove no exception. Last year's team finished third with five wins and two losses.

Coached by Mel Dranga, winner of three national tennis titles, this year's team is out for a position high in the standings which will bring Roosevelt points for the All-sports trophy.

Lettermen returning from last year's team were Kim Proctor, Bob Corning, Rocky Bauer, and Bob Lind.

Swim Team Wins Meet

For the third year in a row and the seventh time in the history of the meets, Roosevelt won the twenty-second annual high school swim meet at the West Green Lake Beach on August 20.

The Teds racked up a total of 50.5 points as compared to its nearest competitor, Franklin, with 46 points.

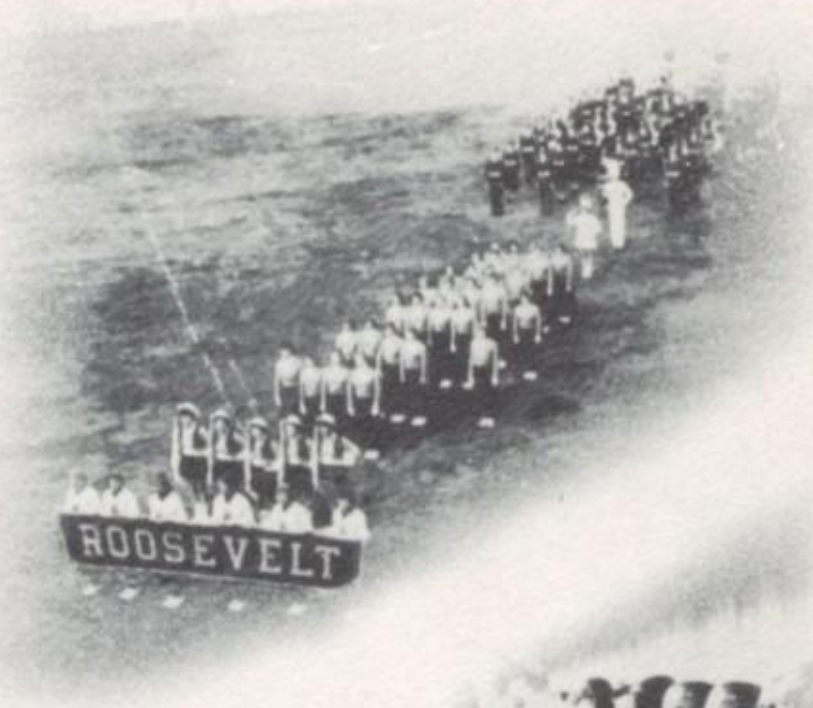
Sharon Eshom, a junior, broke all preceding records for the meet in the Girls' Class A 50-yard free style with a time of twenty-nine seconds.

Other outstanding swimmers for the Teds were: Rick Watne, Curt Johnson, and Howie Anawalt, who scored many of the second and third place points.

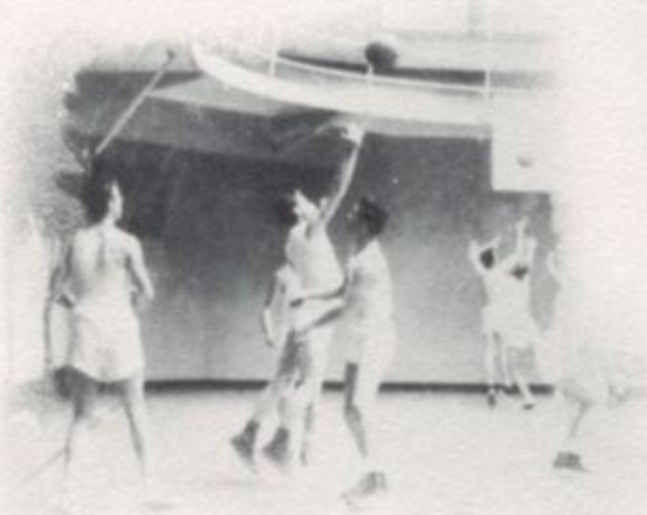
Each member of the swim team won at least one ribbon.

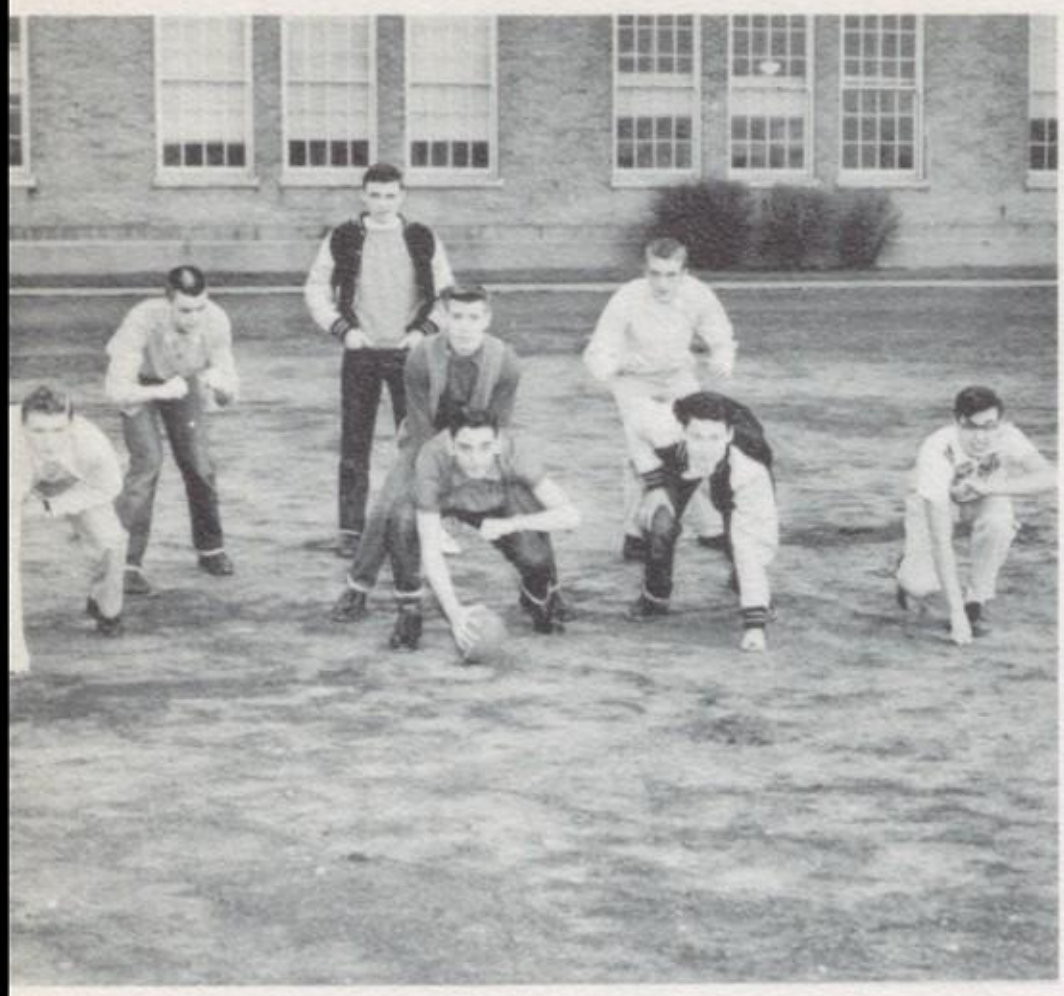
Roosevelt won only four events but took second and third places in many of the other contests.

The final standing for the meet was: Roosevelt, 50.5; Franklin, 46; West Seattle, 42.5; Lincoln, 30; and Garfield with 4 points.



ROOSEVELT





Intramural is Popular

Intramural sports programs drew many Teds' attention this year. Starting early in the fall and continuing into late spring, the sports were enjoyed thoroughly by all who participated.

First came the roll room football series. Competition was keen and the championship was won by Scott's Butterscotts. Basketball followed and the winner in that field was John Burrows' team.

Hundred-milers started running last fall and a large number of boys earned their letters. Bowling, volleyball, track, ping pong, and other sports contests were held.

Each sport is managed by a student; the entire program is under the careful direction of PE instructor, Bob Bell. All in all, the 1954-55 intramural sports program was a great success.

During the school year, Rho Club meets to give girls an opportunity to participate in various sports. The members, with their adviser Miss Betty Moe, enjoy sports such as swimming and bowling which are not a part of the regular gym program.

Monday through Thursday after school is devoted to Rho Club Gym, a special class for those who are interested.

Some of the activities Rho Club girls participated in during the course of the year were: selling pom-poms for the football games and sponsoring a yearly Mother-Daughter Tea.

Sports offered by Rho Club are: badminton, bowling, baseball, tennis, volleyball, archery, and swimming.

Again thanks you.

Dear Mrs. Smith

I really have enjoyed being in your English class this semester. I have learned so much in such a short time. You are a very remarkable person, I think, to be able to remember what almost everyone does. The different projects we have had have been very enjoyable and I have realized so much by them.

You seem to make everyone feel as your friends, because of your sweet smile and understanding. I wish there were more teachers who could be as wonderful as you.

School Life

Roosevelt's spirit was tops at all games.

"Get that pass!" ASR held an all-out campaign for student pass sales.

Jan Borseth and Mary Fran Breshears gaze sadly at the thermometer revealing the loss of the golden axe to the Lincoln student body.

"ASR sign-ups tonight!" All Teds were given an opportunity to participate in activities by signing up for whatever committees they desired.

Toward the end of September all Teds with student passes "mugged" the camera for their pass pictures.

Outstanding members of the Girls'Club were invited to attend the "Little Conference" in October, where they discussed leadership qualities.

"Left, right, left, right," sounded the cry as Golden Spurs practiced for the Jamboree.

Finishing a revue set are: Nancy Darrow, Eloise Swarthout, and Dale Sourwine.

"Assistant Ted Hero," on the bulletin board, and Marty Jordan, ASR president, started the year together in the ASR office.

Nancy Smart and Dave Williams were two of the many people who kept the hall displays attractive throughout the year.

With "The Spirit of Theodore," Miss Fitzgerald's Fearless Females won the Color Day roll room decoration contest.

Inspiring Roosevelt's outstanding school spirit were the six song leaders.

Showing much enthusiasm and excitement over the pass sales contest during a pep assembly are Tony Ward-Smith and Dave Roscoe.

Many parents attended back-to-school night on November 10 to learn about their children's school work and activities. They attended each class for ten minutes.

"Yeah team!" Mrs. Alice Miller, Mr. Edward Perkins, and Miss Betty Moe led the students in a victorious yell during a pep assembly.

"Dig that crazy bop!" A popular fancy among teenagers was proved a fad at the Junior Party bop contest on November 23.

John Dixon tried to check Mr. Robert Bell at the faculty-student ball game on November 24.

ACKNOWLEDGMENTS

ACKNOWLEDGMENTS

The 1955 "Strenuous Life" Staff wishes to thank the following people for their invaluable help in producing this year's book:

Cameron Cooper and his Camera Club;
Rowland Johnson of Rowland Studios;
Earl Lightner of Lowman and Hanford;
Arthur Kramer of Puget Sound Power and Light;
Arlene Hedeen and Marguerite Roys.

We also wish to thank the following newspapers for the use of their pictures: "The Seattle Times" and "The Seattle Post-Intelligencer."

The Staff appreciates the use of the following quotations:

Lines from "Of Time and the River" by Thomas Wolfe were reprinted by the permission of the Publisher, Charles Scribner's Sons;

Excerpts from "Wind, Sand and Stars" by Antoine de Saint Exupery were reprinted by the permission of Harcourt, Brace and Company;

Excerpts from the poem "Water" by Hilda Conkling from "Poems by A Little Girl" were reprinted by the permission of the J. B. Lippincott Company.

To Mrs. Smith.
you've been a real
swell teacher and if
I was coming back
to school next year
I would like to have
you again.

Acquire new friends,
but keep the old.
The first a silver;
the latter gold.
you certainly have no
trouble with this!!

Mrs. Smith,
May I complement you. You are the hardest teacher I have ever had. In this class I have done more work than in all my others put together. Now I know how to work. But I sure wish I didn't. Have lots of fun this summer. They say your husband is a real swell guy you lucky girl. Or is it him that is lucky?

Jan
Pittenger

Suprising as it
may seem I have
really enjoyed this
L.A. class. Last semester
in Mrs. Strausses room
I didn't do a thing
and I didn't like it
at all. It seems
that the teachers
who give the most
homework are the
best liked, and
that holds true
for me too. I hope
you have real
good luck in
all the classes you
teach.

Dear Mrs. Smith,

It's been real (cliché) nice having you. Maybe I didn't learn too much but at least I know what a cliché is. (I hope).

You're one of my hardest teachers, but also one of the nicest.

I sure hope I have you for U.S.A.

I'm learning from having you this year I've learned to be more interested in school and in learning.

P.S. Don't count off in my report card all my horrible spelling, and punctuation!

Carloads of love and luck,

Terry Gustafson (Steph.)

Hee Haw! Although I have had you only one I'd like to say it has been nice seeing you hobble around the halls of good ol' R.H.S. Best of wishes to you.

Thus Water Begins Its Journey Anew

Epilogue

Sparkling through the wilderness

In rushing streams,

Swirling into reservoirs

To provide light and power,

Sluggishly plodding across

The plains to the sea,

Water gives life, energy,

Pleasure, and hope to man.

And having given, it is claimed

By the sun's rays, and

Returned to the life-giving streams once more.
